Un nuevo concepto de madera porcelánica que ofrece la colección COUVET. Sus texturas naturales y antideslizantes en colores roble y haya, ofrecen la posibilidad de escoger 3 acabados diferentes del material. Soft - una madera neutra y sobria, Medium - acabado con tramas rusticas y Strong - lleno de tramas naturales propias de la madera natural. Es una colección perfecta para acometer todo tipo de proyectos

A new concept of porcelain wood the COUVET collection offers. Its natural and anti slip textures in oak and beech colors offer the possibility of choosing 3 different finishes of the material. Soft - a neutral and sober wood, Medium - finished with rustic patterns and Strong - full of natural patterns typical of natural wood. It is a perfect collection to undertake all kinds of projects.
