## Our values/

### **Made in Italy**

Selezioniamo le migliori materie prime e, secondo canoni estetici e funzionali, le trasformiamo in prodotti che interpretano con creatività il gusto italiano. Utilizziamo in uguale misura passione e tecnologia, cura del dettaglio e precisione, chimica e cultura, estetica e attenzione all'ambiente. Per noi Made in Italy è racchiudere tutto questo in ogni singolo prodotto.

### ***Made in Italy***

*We pick the very best raw materials and we follow aesthetics and functional criteria to turn them into products embodying Italian taste and excellence. We sharply combine passion and technology, creativity and accuracy, science and culture, and environmental friendliness. To all of us, Made in Italy means gathering these features into every single product.*

### **Greenthinking**

Recuperiamo il 100% dell'acqua, autoproduciamo il 65% dell'energia, differenziamo il 98% dei rifiuti. Siamo stati i primi del settore ceramico a ottenere la certificazione PEF e tra i primi a guadagnarci l'EPD, la FDES e la HPDC. La maggior parte dei nostri prodotti è compatibile con lo standard LEED - Leadership in Energy and Environmental Design. Questo per noi è Greenthinking: un promessa molto seria, un impegno quotidiano.

### ***Greenthinking***

*We recycle 100% of our water, produce 65% of our energy, separate 98% of our waste. We were the first company in the ceramic industry to obtain PEF certification and were among the first to earn the EPD, the FDES, and the HPDC certifications. The majority of our products comply with the LEED - Leadership in Energy and Environmental Design - standard. Greenthinking implies a solemn promise, an everyday commitment.*

## ISPIRAZIONE/ INSPIRATION

### **Avanguardia classica**

Superfici lisce come velluto, grafiche sorprendenti, colori pieni. Il carattere contemporaneo bilancia l'esuberanza classica del marmo e libera la carica espressiva di un materiale capace di descrivere con la stessa forza non solo il passato, ma anche il futuro. Eclectic unisce leggerezza e teatralità, per ambienti non convenzionali.

### **Classical avant-garde**

*Smooth as velvet, with startling graphics and full colors: Eclectic has a contemporary note which builds on marble's natural energy. Porcelain frees the expressive charge of marble, a material whose intensity is borne from the past, while modern marks combine grace and theatricality to create striking scenes which map the future.*

### Colori e superfici

Un bianco latte fa da sfondo ai segni dal sapore optical di Mistiq White e agli elaborati disegni di Oniric White, proposti in due eleganti finiture, una lappata e una opaca. I toni scuri e profondi di Persian Grey e Pinstripe Dark evocano atmosfere misteriose e sognanti: la morbida superficie silk aggiunge inedite sensazioni tattili.
