

VOLTE

WOOD COLLECTION

PORCELAIN

De la interpretación, el alma y la esencia de la naturaleza del roble, nace Volte. Una superficie rica en detalles gráficos que se potencian gracias al relieve. Los nudos, vetas y matices junto a los escogidos tonos, la convierten en una madera realista y funcional, capaz de inspirar ambientes acogedores y contemporáneos.

Volte is born from the interpretation, the soul, and the essence of oak nature. A surface which is rich in its graphic details, strengthened thanks to its relief. Knots, veins, and touches combined with selected tones make it a functional and realistic wood, able to inspire welcoming and contemporary spaces.
